Drink

WATER, FRUITS AND BUBBLES

THE PACHA DRINK'S CONCEPT

Mix fruit aroma with slightly sparkling water, and then put everything in a translucent packaging.

Recognizable at first glance, these fresh drinks come in six flavors with a unique taste:

strawberry, apple, peach, lychee, mojito and melon.

Besides, they are free of colorant, caffeine and saccharin.

A good reason to raise our glass to the new soft drink!
